

## Kindergarten Registration for the 2023-2024 School Year

Thank you for your interest in our full day Kindergarten program here at TLC CCC. We look forward to providing a great educational program for your child this Fall.

A registration and supply fee of \$125 is required to hold your child's place in the class. This deposit will be applied to your re-registration fee of \$80 that is normally due in August for the coming year. The additional \$45 will cover the cost of additional supplies needed for your Kindergartener. If you have a younger child enrolled in our child care program, the family registration fee would be \$150.

We will provide each child with the following materials:

- \*Writing journals
- \*Writing pencils
- \*Pencil case
- \*Crayons
- \*A ruler/name tag/number line card
- \*Write and draw paper
- \*Art supplies and learning materials

Please complete the bottom portion of this sheet and return it to the office to register your child. We recommend you register no later than April 20, 2023 to ensure there will be a spot available for your child.
